

ICAR-National Research Centre on Pig, Rani has celebrated 17th Foundation Day on 4th September, 2018

The 17th Foundation Day of ICAR-National Research Centre on Pig was celebrated with a day long programme on 4th September, 2018 in the institute campus at Rani. An open session was organized on the occasion in which Dr. A.K. Tripathi, Director, ATARI, Zone VI, Guwahati was the Chief Guest and Dr. N.K. Mohan, Director (Retd.), Directorate of Extension Education, A.A.U. and Dr. B.N Saikia, Dean, C.V.Sc., A.A.U., Khanapara graced the occasion as Guest of Honour. Farmers from nearby villages, entrepreneurs, previous staff members of the institute, persons associated with the growth of the institute and KVK staffs participated in the occasion. Dr. A.K. Tripathi appreciated the role of ICAR-National Research Centre on Pig on promoting pig husbandry in the country and motivated the staff of the institute for realization of Hon'ble Prime Minister's dream of doubling farmer's income by 2022. Dr. N.K. Mohan delivered a Foundation Day lecture and highlighted the importance of pig husbandry in the country to the farmers attending the occasion. Dr. B.N Saikia highlighted the evolution of ICAR-NRC on Pig since its inception and its significant contribution during this period and further welcomed research collaboration with C.V.Sc., Khanapara. Dr. Swaraj Rajkhowa, Director, ICAR-NRC on Pig presided over the open session and expressed his thanks and gratefulness to all those who are associated with the growth and development of the institute, involved in the development of the sector as well as adopting the technologies developed by the institute. A Farmers Scientists interaction was also organized on this occasion for the benefit of the farmers. Certificates were distributed to the winners and participants of the different sports organized as a part of the celebration.
