CORRIGENDUM

Due to Typographical error in Section VII of Tender Document, Page No. 57 (Tender Specification) at Point No. 1(n) Camera, in Tender for Motorized Inverted Fluorescent Microscope (Tender ID No. 2018_DARE_313386_1). Director, ICAR-NRC on Pig, Guwahati approved to issue corrigendum/modification as detailed below:

Earlier advertised as:- Camera: High resolution cooled monochrome CCD/CMOS camera having min 14 million pixel effective resolution or better, high QE > 70% or better with cooling”.

May be read/corrected as:- Camera-“High resolution cooled monochrome CCD/CMOS camera having min **1.4 million pixel** effective resolution or better, high QE > 70% or better with cooling”.

Other terms & conditions including closing date and opening dates remain unchanged.
